

# Join Algonquin's Applied Research AI Accelerator Hub

powered by 

Algonquin College's [AI Accelerator Hub](#) is now recruiting for student positions for Winter 2026.

## FT/PT Winter Positions January 12 – April 17, 2026:

This opportunity is available only to current Algonquin College students and is for full-time 35/ week (co-op eligible) or part-time max. 20 hours/week positions at the Ottawa Campus during the Winter term. All positions are paid at Ottawa's Living Wage (\$23.40/Hour).

### **Desired Skills:**

- Strong background as a generalist web developer (both front and back-end)
- Experience building frontend component-based architecture
- Understanding of web technologies, protocols and systems (i.e., HTTP, REST, APIs, JSON, CMS, CRMS, Mobile Web, etc.)
- Knowledge and experience using the GIT version control
- Experience with Linux based systems
- Experience with web accessibility standards
- Experience with JavaScript, React & NPM
- Experience with Python and frameworks like Django, Flask or similar concepts

### **Bonus Skills:**

- Experience with AI implementation frameworks
- Experience with agentic frameworks
- Experience building LLM-based solution on AWS, Azure or GCP
- Experience in building and deploying code in Python, SQL and or major programming languages with at least one major Cloud platform (Aws, Azure, GCP)
- Exposure to LLMS such as OpenAI, Claude, Mistral or LLaMA
- Experience with LangChain, Hugging Face Transformers or similar frameworks

### **Soft Skills:**

- The ability to juggle multiple tasks at once
- Ability to troubleshoot and debug your own/ third-party code
- You are naturally curious and eager to learn about AI/LLM-powered interfaces and agentic workflows
- Excellent communication skills with client-facing experience

## **To Apply**

Send CV + Cover letter highlighting match to the skills noted above to [AIHub@AlgonquinCollege.com](mailto:AIHub@AlgonquinCollege.com) by 11:59 pm Sunday November 30, 2025

*Recognizing the ongoing need for increased equity, diversity and inclusion in all that we do, we strongly encourage, welcome and value applications by women, Indigenous Peoples, persons with disabilities, members of visible minorities/racialized groups, and members of LGBTQ2+.*
